#### ***Court Changeover***

We are taking steps to make court changes more clear and a little musical. We ask that when the classical music starts, you finish your last point and make your way outside. If nobody replaces you, feel free to get back out there until someone does. During all changeovers, please practice social distancing. Our new process will take effect beginning this Thursday.

#### ***New Tuesday Round Robins***

TUESDAY 3.5 PLUS ROUND-ROBINS from 11:00AM-12:30PM, starting July 14th: If you're looking for a bit of stiff competition to test yourself against, join us on Tuesday morning from 11:00-12:30. Gender, age (and even good looks) are all immaterial. All we ask is a basic skill level (3.5) so that no one feels that they're mismatched. Check the Tennis Canada website to get an idea of what criteria you can use to evaluate yourself - it's certainly not superstardom. Unlike our other Round Robins, sign up closes at 7PM the night before and we are capping registration at 16 participants. Join us, it should be fun! -Dan Kennedy

#### ***Ball Machine***

Our ball machine has new interior wheels and is ready to go. Thanks Gill! Our rental fee is 15\$ per hour. To book the ball machine, please call our front desk 613-749-5494.

## ***Ball Handling***

In our last newsletter, we briefly touched on the loosening of our ball sharing rules. To provide further detail, we would like to reiterate that ball sharing is permissible as long as people are exercising appropriate hygiene. Please wash your hands after your match and refrain from touching your face as you play.

## ***Picture of The Week***

Thanks to Peter Smoczynski for taking pictures around our club this past week. Here's one of the beautiful shots we decided on sharing amid the heat wave...
