#### ***RLTC Jr. Clinics***

We are now offering recreational-competitive options for weekly camps, adjusted to meet Covid protocols. These small-scale clinics allow children to learn the basics and build on existing tennis skills. Children will be grouped together based on age and skill. Run by Zhenya Kondradovski & using Tennis Canada's progressive tennis curriculum, this program helps build motor skills & tennis knowledge. We are limited to 12 children per session (ages 5-14). For more information, [check out our website here](#).

#### ***Round Robin Capacity***

Please note that all of our Round Robins currently have capacity for 20 players with 5 courts reserved. If you sign up once registration is full, you will be added to a waiting list and contacted if a spot becomes available.

To sign up for Round Robins...

1. Sign in to Jegysoft using your username and password.
2. Under the tab labeled "Register for Programs, Lessons, Camps & Events" click the option titled "Register For Calendar Sign-Ups".
3. Select the highlighted date for the Round Robin you wish to register for and follow prompts to register.

#### ***Calling All Volunteers***

We are looking for volunteers to help with a project that Tim Plumptre has been heading. He is currently rebuilding the boxes that protect our water valves/boxes. Should you be interested in helping out with any of these steps, please let us know! We are looking for assistance in...

1. Cutting the edges of the pressure-treated wood, then treating with a protective product.
2. All the wood needs one coat of primer. We have paint brushes, a roller, as well as a can of primer that should be sufficient for the job.
3. Finally, we need to add two coats to each sheet of plywood, plus two small pieces of trim.

#### ***Inter-Club Leagues***

Unfortunately, the OTA has confirmed that our Inter-Club Leagues will not be running this season. We're optimistic that we will see its reemergence next summer. Thanks to Dave Goldfield & Barry Frewer for volunteering to organize this year.

#### ***Allotted Bookings***

Members can expect upgraded booking features in the near future. We are currently waiting on the Jegysoft team to finish coding before we announce more details. Stay tuned!

#### ***Picture of The Week***
