RLTC Tournament Update

We continue to welcome signups for all of our remaining club tournaments. Up next, Women's Doubles! If you need help finding a partner, contact our front desk or reply to this email.

We have noticed an online glitch which may take some time to reconcile. Once a player has registered for a tournament, that member may lose the menu option to register in another tournament. If this happens when you attempt to sign up online, please call or email us.

Rain Policy

A reminder that our Twitter account @RLTCOttawa, available from our home page will be updated if courts are closed, as well as if they reopen the same day.

Gift Cards

RLTC Gift cards are now available! 🎁 They're a fantastic way to treat your loved ones and friends to lessons, drinks, clinics and canteen items. You can purchase club credit (25\$,50\$,75\$ & 100\$ options) which can be used toward any RLTC purchases. Also available are Clinic Packages of 5, private lessons or lesson packages with one of our pros. We will include the gift card in an envelope with the option for a short personal message on the back of the gift card. Just email us mentioning the gift card you're looking for and when you need it by-info@rltennis.ca

Court Repairs

Over the next month, you may notice closure during certain times of the day on our beloved clay courts. This will be done to address low points that gather puddles and take longer to dry. It will also improve playability on the busiest areas of the court. Slippery patches will be tended to by regular scarifying - a process where courts are raked with a heavy instrument to promote binding and aeration.

Playground Open

August marks the opening of our play structure. Please continue to enforce social distancing and hand washing measures with your children while using this structure and on Club grounds.
