

Report of RLTC 2018 Sponsorship Program

The Club was fortunate to attract a record number of six signage sponsors, plus a seventh without a sign, for the 2018 season. We are working hard to maintain strong relations with our sponsors to ensure they are satisfied by the exposure and by other benefits. And we will remain vigilant about attracting new sponsors.

The 2018 sponsors were:

Conway Litigation

Marilyn Wilson Dream Properties

Foundation WCPD

Ashbury College

Elmwood School

WarrenCamacho LLP

General Bearing Services

These sponsors accounted for over \$17,000 in Club revenues. This is a record since the sponsorship program was established a few years ago.

The Club is very grateful for our sponsors' generosity and for their loyalty to support the advancement of the game of tennis at our Club.
