IN THIS ISSUE

Doubles, Round Robins, Player Connect, Plant a Flower Day, Lessons at RLTC, Coming Soon, Regular Programming

DOUBLES IS HERE!

You can now play doubles at RLTC...legally! Over the past month, I have spotted several members with aversions to singles matches playing 1-1. To these members, I hope you take some comfort in this most recent announcement from our club president. In your excitement, you may be tempted to high five your doubles partner. Unless you are in the same household, we ask that you refrain and review our regulations around doubles play. To access our latest Covid policy, [click here](#).

Round Robins

We are pleased to announce our first Round Robin of the year, hosted by our beloved Head Pro, Miguel, will take place this Friday, June 19th from 10-11:30AM. Starting the following week, these Round Robins, geared for beginner- intermediate players, will take place every Monday & Friday from 10-11:30AM.

There has been a flurry of hard hitters joining the club this year. Exciting! To meet the demand for high-level competitive play, we are starting an Advanced Round Robin Wednesdays from 6-7:30PM, beginning June 24th. In order to keep play competitive, we are inviting members who are 4.5 and above. We ask that players use the "Play Tennis, Self Rating Guide" which can be found here. Should you need assistance figuring out your level, send us an email and we'll help out.

Both Round Robins take place each week until further notice & weather permitting. They can be accessed through Jegysoft with sign-up 5 days in advance and up to 1 hour before court time begins. Round Robins are capped at 24 registrants with 6 courts reserved.

To sign up for Round Robins...

1. Sign in to Jegysoft using your username and password
2. Under the tab labeled "Register for Programs, Lessons, Camps & Events" click the option titled "Register For Calendar Sign-Ups"
3. Select the highlighted date for the Round Robin you wish to register for and follow prompts to register

Player Connect

Are you looking for hitting partners or matches, maybe new to the club and looking to connect? We think you will love the "Player Connect" feature from Jegysoft. From the home screen once you login to your Jegysoft account, you will see a tab labeled "Player Connect." From here, you can "Find a Game" by narrowing down what you are looking for in a match through availability, skill level and gender. You can also "Post a Game Wanted" by volunteering the same information.

Plant A Flower Day

Last weekends Plant a Flower Day was a great success! Thank you to those who stopped by to volunteer their time caring for the grounds alongside our board members and ex-manager Karen Leslie. Thank you to members who donated plants, helping beautify our grounds and contributing to the community atmosphere that makes RLTC a special place to be. Below, our special thanks to Cynthia Mar and her assistant.

Lessons at RLTC

Need to brush up on the basics, elevate your game, adjust your footwork, or tackle that inconsistent serve? Our pros Miguel Macias and Zhenya Kondratovsky are happy to help. To hear more about our pros, check their bios out under the lessons tab in Jegysoft. Please contact the pros directly to set up a time. Lessons are also available for non-members, so tell your friends!

Zhenya - (613) 884-5895

Miguel - (819) 700-1477

Coming Soon

In our next newsletter you can look forward to more detail on the Singles Ladder at RLTC, opening of the canteen, tabs and an update on our ball machine.

Regular Programs

Monday 10-11:30 AM - Round Robin

Wednesday 6-7:30 PM - NEW ADVANCED Round Robin

Friday 10-11:30 AM - Round Robin

All the best,

Chris Hannant Manager,

RLTC
